This very modern set up covers a total surface area of 50,000 m², of which 10,000 are indoor facilities. A single structure that combines all the following services: a showroom of used boats, large storage facilities, a mechanical workshop for any kind of maintenance, a new-gen painting booth and a wet dock with 150 berths.

The **Adriatic Marine Center** also has plenty of private parking as well as a comfort station with snack area and showers.

SALES ON BEHALF OF THIRD PARTIES

We provide a **tried and tested, dynamic, innovative sales service**, enabling us to achieve excellent results, quickly.

In the same way as a bespoke suit, our clients can evaluate the solution that best meets their needs, such as an exclusive or open mandate, duration of the mandate and the kind of commission fee: with a fixed rate for the duration of the mandate (with storage fees included in the commission); with a percentage of the final sale price.

This is all agreed with the client right from the start, to guarantee maximum transparency.

In all our boatyards, boats on sale are displayed in the dedicated showroom, where they are kept clean, ready to view and accessible via handy gangways.

Our sales agents follow all sellers, offering advice regarding the best solution depending on your specific needs.
